On or about 05/12/2025 the above named did willfully and feloniously engage in class action proceedings in a Pennsylvania court without the certification of court required or without legal standing to peruse actions on behalf of others in a class action capacity. This is an offense against the established procedure for class action litigation as governed by Pennsylvania Rules of Civil Procedure 1701-1716. Furthermore, a current officer of the court investigated this matter and found that the defendant submitted vexatious petitions for class standing when his/her/their attorney or attorneys did NOT have a license to practice law in Pennsylvania. This is considered Unauthorized Practice of Law.

This presented a disruption of proceedings and was an insult to the court and authority of law, which subsequently found this charge to be one of contempt.

**You Are Hereby Commanded** to arrest the above-named individual and bring them before the issuing authority or the Court of Common Pleas for formal arraignment. Judge's Name: Pennsylvania Judge McFly Signature: Judge McFly
